

Marsh Valley Middle School
Paid for Performance Plan

1. Benchmarks:
 - a. 85% of our students will advance to the next grade level.
2. Growth:
 - a. We will give a series of tests to determine if students are showing growth in specific subject areas.
 - b. A pre-test, mid-test, and post-test will be given throughout the year.
 - i. These test will be administered by the end of September, then again in January, and then again in March or April.
 1. The spring test will be determined after we see when we will take the SBAC.
 - c. The following are the tests that will be given:
 - i. MCOMP: Test focused on math computation
 - ii. MCAP: Test focused on math application
 - iii. Fluency Reading Test
 - iv. MAZE: Reading comprehension
 - v. CWS: Correct writing sequence test.
 - d. Goal:
 - i. 80% of our students will show growth on each of the following tests.
3. When these goals are met all certified teachers and principals will be eligible for the paid for performance monies.
